- **53** grants totalling **£115,384**
- **35** individuals and families helped

"We have made strong progress establishing a trusted early-intervention family support offer across East Cumbria, supporting families in Carlisle, Eden and surrounding rural communities. A key success has been building strong partnerships, which has increased both awareness of the service and the quality of referrals. Through proactive outreach we have developed links with midwifery services, children's centres, local charities and community organisations, enabling families to be identified earlier and supported before issues escalate."
