- **46** grants awarded totalling **£164,458**
- **35** individuals and families helped

“

This grant has enabled us to provide a holistic, child-centred trauma recovery service to children and young people and wider family members who have experienced violence, exploitation or abuse. We have delivered sessions on boundaries, grounding techniques, outcome setting, self-care, safety plans and online safety, psychoeducational work around trauma and provided a safe space where children and young people can build a trusting relationship with staff with clear boundaries.”

Safety Net UK

Information, Advice and Guidance
