Support for **Devonshire** individuals and families

- **63** grants totalling **£170,541**
- **46** individuals and families helped

"The Flourishing Futures Project has achieved several significant successes, making a positive impact on young people, families, and educational professionals. Through one-on-one therapeutic sessions, peer group programmes, and storytelling workshops, many young men and boys have developed healthier coping mechanisms, improved emotional awareness, and strengthened their interpersonal relationships. Our whole-family interventions have helped families understand and address the root causes of conflict, leading to better communication, stronger connections, and a more supportive home environment."

SAFE Foundation, £60,000 previous grant
