"The Oasis Aspirations project has successfully engaged young people and supported meaningful personal, social, and leadership development. A key success has been the delivery of workshops based on the Oasis 9 Habits, which provided a consistent and trusted framework for young people to explore identity, confidence, and aspirations. This values-led approach has helped young people to better understand themselves, build resilience, and recognise the skills and attitudes they need to succeed."

Oasis UK, £44,660 previous grant
