- Information, Advice and Guidance

“

Feedback from families has shown us that the project has achieved its proposed outcomes, with parents reporting improvements in their child's wellbeing, communication styles and ability to manage their emotions. Children receiving support on this project are often reluctant to open up about their experiences and personal trauma. This project allows them a safe space with somebody who understands their experiences and helps guide them through their recovery.”

Phoenix Domestic Abuse Services

- **14** times support was given by our Advisers
- **13** times individuals and families received a visit from our Visiting Volunteers
