“

Over the last year the MCF, the Freemasons' charity, grant has enabled us to support the six established social groups as well as work in partnership with the Macular Society to develop a new joint social group held at our premises for people with Macular Disease. This has been very successful and currently has 25 members.

The groups meet weekly or every two weeks and undertake a range of activities including talks from local authority sensory teams, local newspapers, history talks, bee keeping, salt dough art, terrarium workshops, cooking sessions, equipment and tech sessions and a talk from the local Sight Loss Council.”

My Sight Notts

Information, Advice and Guidance
