- Visiting Volunteers were commissioned **15** times to help Freemasons and their families apply for a grant

> *"This year we have been able to deliver two courses and engage with hearing parents or carers of deaf children to improve and/or develop their communication with their child or family member. Many of these would not have normally been able to access mainstream courses due to timings and costs. We have been able to improve wellbeing of all beneficiaries and given parents and carers a safe space to discuss their challenges, struggles and benefits of having a deaf child in their family."*

Nottinghamshire Deaf Society, £20,000 previous grant
