"Our main success this year has been the wide range of enrichment opportunities we've been able to offer the children we support. Thanks to funding, we organised a large group trip to Blackpool for children across all our sites; a highlight of the year that created lasting, joyful memories. We're particularly proud of how children's voices have shaped their support this year. By listening to their feedback and ideas, we've been able to adapt our sessions and trip ideas to what they enjoy most, giving them a sense of ownership and pride in their progress."
