- **208** grants totalling **£579,021**
- **157** individuals and families helped

"

This year, the project has achieved several notable successes in improving the lives of older adults through engaging, community-based activities. A key strength has been the consistent use of sport and social interaction as tools to support physical health, mental wellbeing, and community connection. Methods such as combining gentle physical activity with opportunities for conversation have proven particularly effective, helping participants to stay active while reducing isolation."

Blackpool FC Community Trust, £40,000 previous grant
